Hi Lorena and Eric. Thanks very much for taking the time to meet with me Wednesday.
I walked around and explored the oceanfront further as well as 6th street and there is so much potential to bring this destination back to the masses so to speak!
If there are any questions you have, or if you know of anyone else in your area that could use our assistance, please let me know.

If you could define for me the EXACT wording that you would like on the Gateway Monument that would be very helpful. I agree that you don't need to necessarily add adjectives like "Historic" as the area should and will speak for itself, but maybe adding an incorporation city date for San Pedro on one option would be interesting?

Really looking forward to being involved and our proposal is attached.
